Reston Lions Club Participates in Health Clinic in Herndon

Anne Ryan of the Reston Lions Club accepts glasses for recycling at the free health clinic on Saturday, Aug. 15, at the First Baptist Church of Herndon. The fair was co-sponsored by the Reston Lions Club, The Jeanie Schmidt Free Clinic and Works Sunday. Sight and hearing tests were given free to 96 people in the two sight and hearing vans furnished by the Lions Clubs of Virginia.

Those with sight deficiencies were referred to the Health Department, which will refer them to an eye clinic. The Reston Lions Club will buy glasses for many of those referred. Jim Ryan, past president of the Reston Lions Club, was in charge of the Lions Club activities. Eighteen volunteers assisted with the sight and hearing screening. More than 400 people attended the health fair to learn about health problems.
